

FLAG HIRE FEES AND CHARGES

2025

DESIGN AND PRINTING

Flags must meet the design specifications provided (see pages 4 and 5).

Artwork design must be sent for approval prior to printing to: **yagan@cbre.com.au** (attention Events Manager).

To discuss your printing requirements or for additional printing information, please contact Shane Little from Imagesource on 08 9380 8900 or email shane.little@imagesource.com.au

Flag material is a 115 gsm, digitally printed dye sublimation knitted polyester, using full colour uv inks, single sided (see page 4 for flag direction). Printing and stitching of flags takes 10-15 working days.

HIRE FEES

The hirer is responsible for the following payments: Flag pole hire, printing costs, installation and removal costs.

Imagesource will invoice you direct for printing, installation and the removal of your flags. Please organise with Imagesource if you'd like to keep your flags after removal has been actioned. We are unable to provide flag storage.

Please see page 3 for hire fees.

INSTALLATION AND REMOVAL

Installations and removal of flags will be coordinated by CBRE, with the cost on charged to the hirer.

A notification email advising the delivery time and date, must be sent to: yagan@cbre.com.au **5 working days prior** to the install date booked.

Please see page 3 for installation and removal fee structure.

We are unable to accept any responsibility of any damage to flags, including weather damage.
